Large Bulky Items

You may call our offices to schedule a curbside collection of large household items such as water heaters, furniture and appliances. This service is offered at no charge (except for tires and Freon certification) up to 6 times per calendar year. Please, no construction debris, tear down items, commercial waste, landscaping, or other items that may otherwise require temporary bin service. For further details, please call 855-9441.

Household Hazardous Materials

Lake Havasu City normally sponsors a household hazardous waste collection day. These types of wastes should be stored safely until the next household hazardous cleanup day is scheduled. Please contact our offices at 855-9441 for further information.

Holiday Schedule

Trash and recycling are collected on all holidays except Thanksgiving Day, Christmas Day, and New Year's day. Your trash and recycling will be collected one day later after each of these holidays. For example, if the holiday falls on Thursday and your trash day is Thursday, your trash and recycling will be collected on Friday and Friday's trash and recycling will be collected on Saturday.

Types of Collection Containers

Containers should be 33-gallon maximum trash cans with usable handles or trash bags only. Retrofitted drums or other types of containers will not be collected or may be discarded as trash. Cardboard boxes are not suitable trash containers, and should be broken down and placed in bundles not more than 4-feet in length and 2-feet in diameter, and should not exceed 50 pounds.

Bag your Trash

Please bag your trash. Take special care with styrofoam packaging peanuts, ashes, and plastic grocery bags. Loose or light items will blow out of the garbage can when dumped or on windy days.

Types of Waste

Place residential trash out only. Construction, demolition, and commercial business materials such as carpet, tile shingles, drywall, and wood will not be collected. Garbage generated by a business run out of your home must be handled in a separate manner. Trash generated from other households will not be collected.

Landscaping Materials

Loose landscaping materials such as grass and leaves should be bagged. Brush or tree limbs should be placed in bundles of not more than 4-feet in length and 2-feet in diameter, and should not exceed 50 pounds. Use sturdy rope to tie the bundles to prevent breakage while lifting. For disposal of cactus, please call the office for suggestions.

Recycling

If you wish to participate in the Recycling Program, please call our office at 855-9441, and we will have a blue recycling bin delivered to your home on your next regular service day. All recyclable items are to be placed in the blue recycling bin and they will be sorted by the driver at the curbside. Recyclable items and your trash will be picked up by separate trucks between 5:00 am and 6:00 pm on your regular service day, so please make sure your blue recycling bin is out the night before with the following material.
