SPECIAL WASTE ANNUAL REPORT FORMS

DIRECTIONS:

1. Any person required to submit an annual report for special waste in accordance with Arizona Revised Statutes (A.R.S.) §49-860 shall submit all applicable information by March 1st of each year for all special waste shipped the preceding year. The following are required to submit a special waste annual report:
 - a. A shipper required to comply with the special waste manifesting procedures.
 - b. A facility or person that receives from off site a special waste for treatment, storage or disposal.
 - c. A generator who treats, stores or disposes of special waste. However, ADEQ requests that all generators submit a special waste annual report in order to facilitate the record keeping process.
2. The purpose of this form is to assist generators, transporters, and receiving facilities who handle special waste, with a structured reporting format for the preparation of annual reports. The use of this form for annual reporting is encouraged, but not necessary to satisfy annual reporting requirements.
3. Upon completion, submit this form (attach any additional information to this form), or any documentation which satisfies the requirements as set forth in A.R.S. §49-860, to the following address by March 1st for the preceding year:

Arizona Department of Environmental Quality
